FLORAL POLICY FOR WINTER MONTHS

Cemetery floral policies are posted and readily visible on the floral containers adjacent to burial sites. This information can also be found on the Burial Certificate issued to the Next of Kin on the date of the burial.

One floral arrangement accompanying the casket or urn at the time of burial may be placed on a completed grave.

Natural cut flowers may be placed on graves at any time of the year. They will be removed when they become unsightly or when it becomes necessary to facilitate cemetery operations.

Artificial flowers are authorized during winter months. Cemetery provided cone style containers or similar styles privately purchased are approved for usage.

Christmas wreaths, grave blankets and other floral decorations may be placed on graves from Dec. 1 through Jan. 20. They may not be secured to headstones or markers.

Permanent plantings, potted containers, statues, vigil lights, breakable objects and similar items are not permitted on the graves. SVMC does not permit adornments that are considered offensive, inconsistent with the dignity of the cemetery or considered hazardous to cemetery personnel.

Permanent items removed from graves will be placed in an inconspicuous holding area (maintenance yard) directly across from Sections 4 & 5.

SVMC will hold unauthorized decorations 30 days prior to disposal. If decorative items removed from graves remain longer than 30 days, the property will be disposed of unless prior arrangements had been made with cemetery staff.

Please feel free to contact the cemetery promptly with any questions or concerns.
